ALIGN YOUR BRAND WITH SUCCESSFUL EDITORIAL FEATURES

GeekWire’s Sponsored Series are editorial features that are closely followed by readers, highlighting the most important themes and people in the technology industry.

Sponsor these series to align your brand with specific topics, while delivering a message from your own company through an accompanying sponsored post.

Sponsored series receive 10,000 - 50,000 pageviews each month and many, such as Tech Moves, have a loyal following.

Current and past series sponsors include: Alaska Airlines, Smartsheet, EY, Spoken, Anthology, Impinj and Acumatica.

AVAILABLE SERIES:

**Working Geek** delivers key productivity tips from successful tech executives.

**Geek of the Week** spotlights key innovators.

**Bot or Not?** explores how robots, artificial intelligence and automation are impacting our work and lives.

**Startup Spotlight** profiles emerging tech companies in the Pacific Northwest.

**Tech Moves** covers notable hires, promotions and personnel changes in the Pacific NW tech community.

and more!

Series sponsorships include:

- Logo with custom link in a premium header on each article
- Custom sponsor post in the footer of each article with custom links
- Branded header on the category page
- Listing as a series sponsor on the GeekWire navigation bar and homepage
- All articles are published to GeekWire’s homepage and shared on GeekWire’s social media channels
GeekWire Underwriting projects might be right for your brand!

Custom underwriting sponsorships allow your brand to be associated with a specific content channel on GeekWire, strengthening your company’s position in areas such as aerospace, gaming, life sciences, artificial intelligence, sports tech and more. Underwriting sponsors receive both exclusive branding on the GeekWire content channel, as well as the presenting sponsorship of a one-day conference in the specified content area.

Custom underwriting agreements include presenting sponsor branding on digital content, regular (over 15 per month at minimum) posts in the channel, and presentation of a custom event within the topic area of choice.

Channel sponsorships include:

- Branded category bar above each article
- Exclusive Premium Right Rail and Storyboard display ads on each article page
- Custom sponsor post in the footer of each article with custom links
- Branding on the category page
- Title sponsorship of a custom event related to the channel
- Listing as a channel sponsor on the GeekWire navigation bar and homepage
- Branding on all related channel materials

Pricing starts at $200K.

:: GEEKWIRE MEETUPS & PRIVATE EVENTS ::

**GEEKWIRE MEETUPS**

GeekWire gathers the community for sponsored events throughout the year. Whether for fun, networking, educational, or inspirational, our events are designed with our audience and sponsors in mind.

The Playbook is our series of meetups featuring a speaker and content for startups and entrepreneurs. GeekWire's Ping Pong Invitational brings this favorite tech competition to host offices around the city. Civic Conversations opens the dialog around top-of-mind topics in this new speaker series. Contact us to learn more about event opportunities with GeekWire.

**PRIVATE EVENTS**

GeekWire's private events include intimate VIP dinners that bring together experts in fields such as virtual reality, the internet of things, sports tech, aerospace, and more.

**GEEKWIRE SOUNDERS DAY**

Join us for a pre-game tailgate near CenturyLink Field in Pioneer Square — before a Seattle Sounders match. We’ve reserved a big block of seats, so make sure to bring your yelling voice and cheer on our Sounders. Food and beverages will be provided at the pre-game meetup by our title sponsor of Seattle’s best tailgate party.
