

Why choose ALLtech benefits?

In today's competitive tech landscape, offering high-quality, affordable employee benefits is essential for attracting and retaining top talent. Whether you're looking to upgrade your benefits or simplify your HR workload, ALLtech delivers a smarter, more cost-effective solution. Here are three reasons to get a quote from ALLtech:

Tailored for tech companies

ALLtech was created specifically for Washington's technology sector, providing small to mid-sized tech companies in Washington access to robust health coverage and streamlined administration typically available only to much larger organizations.

Best in choice, coverage and cost

Choice – There is no such thing as one-size-fits-all when it comes to your employees. With ALLtech, covered employees can choose from a wide variety of benefit plans.

Coverage – ALLtech partners with regional nonprofit medical carriers Regence BlueShield and Asuris Northwest Health, to offer one of the broadest and most established networks in Washington.

Cost – ALLtech has negotiated favorable rates with preferred carriers to provide the most competitive, cost-effective plans available – helping you offer top-tier benefits at an affordable cost.

Local support + simplified administration

Benefit administration for ALLtech is provided by Associated Industries Management Services (AIMS) located in Spokane, Washington. When you choose ALLtech, you can expect:

- Responsive support from a local customer service team.
- A single point of contact for all plan administration. From sign up through administration, we'll help you every step of the way.
- Consolidated billing, enrollment processing, eligibility updates, and COBRA administration – all managed through an easy-to-use secure online portal.

Build a benefits package that attracts top talent

Choose from 22 unique medical plans

Flexible networks provide in-network coverage across the US, including 24/7 virtual care.

Included with all medical plans:

PRESCRIPTION

All medical plans include prescription drug coverage including convenient mail order options.

EMPLOYEE ASSISTANCE PROGRAM (EAP)

All medical plans include our 3-visit employee assistance program with 24-hour helpline and counseling through BetterHelp.

LIFE INSURANCE AND AD&D

All medical plans include \$20,000 of Basic Life & AD&D to help your employees plan for the unexpected.

Add ancillary benefits for total health

Add Vision, Dental, and Disability to any medical plan:

VISION

Choice of three VSP plans that offer an eye exam every 12 months, and hardware every 12 or 24 months.

DENTAL

Choice of five Delta Dental PPO plans offering annual benefit maximums from \$750 to \$2,000.

DISABILITY

Short and long term disability options to protect employees' most critical financial asset - their ability to earn income.

What makes ALLtech different?

ALLtech is a nonprofit Association Health Plan, or AHP. As an AHP, ALLtech joins small businesses together as a group to negotiate coverage and rates with major carriers – giving small businesses access to better benefits than what they could purchase on their own.

Through our partnership with GeekWire, technology companies in Washington are eligible for ALLtech benefits.
